

Advertise Only.

Our Advertise Only package is developed for the experienced landlords and portfolio investors who prefer the hands-on approach to the aspects of property management.

You'll benefit from our proactive approach to advertising to your property, including the major online portals such as Rightmove and Zoopla, as well as social media advertising to maximise the reach of your property.

Additionally, we offer an accompanied viewing service where we meet each prospective tenant at the property. A detailed summary will be tailored for each tenant, which will be forwarded to you allowing you to make an informed decision.

Once we have submitted any prospective tenant's details over to you, it will be your responsibility to carry out the Right To Rent checks and appropriate referencing, the signing of documentation, and the facilitation of the move-in. The successful tenant will pay the first months' rent and deposit directly to you, and we will invoice for our services.

Management Takeover.

Not every letting agent will recognise that your time is precious, or that your property is one of your most valued assets. We understand why you might want to part ways.

We'll liaise with your current managing agent to ensure the smooth transition for both you and your tenant(s) (if the property is occupied), including arranging the collection of all relevant documentation, deposit information and the keys.

£300

We will serve the relevant Section 47 / 48 notice to your tenant, with correspondence organised with our payment details for rent payments, in addition to a request to inspect the property.

Additional tenancy costs for managed properties.

Check-out.

At the end of the tenancy, we will arrange a full check-out report. This detailed digital document compares the current condition of the property to the inventory carried out at the start of the tenancy. This is a necessary piece of evidence for making deductions against the deposit.
